

STATUTES OF THE EAST ASIA HYDROGRAPHIC COMMISSION

STATUTES OF THE EAST ASIA HYDROGRAPHIC COMMISSION

- - - - -

Article I

Nature and Purpose

1. The East Asia Hydrographic Commission (hereinafter referred to as "the Commission") shall be placed within the framework of the International Hydrographic Organization (hereinafter referred to as "the IHO"), and shall be a regional hydrographic commission which shall be composed of the Hydrographers of the countries bordering the Northwest Pacific Ocean, Japan Sea, Yellow Sea, Eastern China Sea, South China Sea, Philippine Sea, Malacca Strait, Northeastern Indian Ocean and adjacent waters (hereinafter referred to as "the region") in conformity with the Resolution S 9 of the Ninth International Hydrographic Conference.

2. The Commission shall not endeavour to become a separate group within, or duplicate the work of, the IHO.

3. The purpose of the Commission shall be:

- (a) To coordinate the activities of national hydrographic offices in the region without influencing the internal affairs of the respective hydrographic offices or diminishing their national responsibilities;

(b)

- (b) To facilitate the mutual exchange of information regarding surveys, research, new developments and technical details related to hydrography;
- (c) To encourage mutual assistance for the development of techniques in hydrographic work;
- (d) To work out regional cooperative programmes in hydrographic work. Such regional cooperative programmes shall be subject to approval of the Government of the member concerned.

4. The Commission shall be concerned solely with matters of purely technical nature pertaining to the field of hydrography, including descriptive oceanography.

5. The Commission has no authority over the national hydrographic offices in the region.

Article II

Membership

1. The Commission shall be composed of the Hydrographers of the Member States of the IHO in the region and who accept these Statutes (hereinafter referred to as "the Members").

2. Membership of the Commission is accorded to the Hydrographers
signatories

signatories to these Statutes, i.e. the Hydrographers of Burma, China, Indonesia, Japan, Korea, Philippines and Thailand.

3. Membership of the Commission shall be open for accession by all other Hydrographers who fulfil the requirements mentioned in Paragraph 1 of this Article. The admission of the new Members to the Commission shall be decided unanimously by the Members.

Article III

Conference

1. The Commission shall hold a Conference (hereinafter referred to as "the Conference") regularly once between two successive International Hydrographic Conferences. In addition, the Chairman of the Commission (hereinafter referred to as "the Chairman") may call special Conferences when urgent questions arise.

2. The time of the Conference shall be decided upon by the Members.

The Conference shall be held in the country to which the Chairman belongs.

3. The Members shall preferably attend the Conferences in person or otherwise send a representative.

4. The Members may be accompanied by one or more assistants at the Conference.

5. A majority of the Members shall constitute a quorum.

6. Expenses necessary to organize and conduct the Conference shall be met by the hydrographic office of the Chairman.

Article IV

Observers

A Member may propose to invite observers to the Conference. Such invitations shall be sent only when the proposal is accepted by the Commission unanimously.

Article V

Chairman

1. The term of office of the Chairman shall begin at the end of the Conference and shall terminate in the end of the next Conference.

2. The Vice-Chairman shall be elected at the end of the

Conference

Conference and shall assume office as the Chairman at the end of the next Conference.

3. If the Chairman is unable to perform his functions during the interval between Conferences, his successor or the deputy hydrographer of his country shall take the chair for the rest of the period.

4. If the Chairman is unable to act at the Conference or any part thereof, the Vice-Chairman shall act as the Chairman.

5. The Chairman shall conduct the Conference. He shall prepare the provisional agenda of the Conference in consultation with the Vice-Chairman.

6. The Chairman shall open the Conference by giving a report of the activities and their results of the Commission during the interval since the last Conference.

7. The Chairman shall prepare the Record of the Conference. This Record shall contain a very general outline of the discussions that took place as well as the Conclusions that were approved. The Record shall be signed by the Members or their representatives who attended the Conference.

8. The Chairman's hydrographic office shall be responsible for the organization and operation of the Conference.

9. The permanent Secretariat of the Commission shall be located at the Hydrographic Office of Japan.

Article VI

Agenda of the Conference

1. Proposals for putting items on the agenda for the next Conference should be sent to the Chairman at least six months prior to the date fixed for the opening of the Conference.

2. The Chairman, in consultation with the Vice-Chairman, shall prepare the final agenda. It should reach the Members as well as the IHO at least three months prior to the date fixed for the opening of the Conference.

3. Proposals may also be submitted during a Conference to the Chairman; they shall be signed by at least two Members.

4.

4. The Commission shall, at the beginning of each Conference, adopt the agenda for that Conference. It may, during the Conference, modify the order of items on the agenda.

Article VII

Voting

1. Conclusions shall be arrived at by unanimous agreement of the Conference. Such Conclusions, unanimously agreed, shall be part of the Record of the Conference.

2. Only the Members or their representatives shall be allowed to vote.

Each shall have one vote.

Article VIII

Expenses

1. Apart from the expenses mentioned in previous articles, every Member shall meet his own expenses.

2. Matters regarding the common projects of the Commission which are agreed unanimously in the Conference, and which require the expenditure of money shall be part of the Conclusion of the Conference.

Article IX

Article IX

Relation with the IHO

1. An invitation shall be sent to the Directing Committee of the International Hydrographic Bureau (hereinafter referred to as "the Bureau") for attendance of its representatives at the Conference.
2. Any Conclusion in which Member States of the IHO might have an interest shall be brought to the attention of the Bureau. The decision to do so shall be part of the Conclusion.
3. The Commission may be asked to undertake suitable studies as a working group of the IHO.

Article X

Miscellaneous

1. The Commission may create, for examination and execution of specific projects, committees composed of the Members interested in such projects.
2. The Commission may discuss any matter of interest by correspondence during the period between Conferences. In this case, the Conclusion can only be arrived at by unanimous agreement

agreement of the Commission.

Copy of the correspondence on matters which require no unanimous decision shall be sent to the other Members by the originator.

3. The Commission may determine - when circumstances call for such action - rules of procedure that shall be an annex to these Statutes.

4. These Statutes may be amended. Such amendments shall become effective only by the unanimous decision of the Commission.

5. English shall be the working language of the Commission, as well as during the Conference.
